# Paper Template for COMP90049 Report

## Anonymous

### 1. Introduction

This is a report template, suitable for LATEX(it doesn't model very much). Don't use fonts smaller than this one (Times 11). Don't include a title page, table of contents, abstract, or other similar front matter.

Please don't include your name and/or student ID in the title or header; your report should be anonymised for the reviewing process. Don't forget that you must cite the Comment dataset [1].

## 2. Section

Text, with footnotes at bottom of page.

## 2.1. Subsection

Text of the subsection with citations such as [4], [3] and [2]. You can use any citation style, as long as you are consistent throughout your report.

## 2.1.1 Subsubsection

Text of the subsubsection. Text of the subsubsection.

Model	Accuracy
AAA	x%
BBB	y%
CCC	$\mathbf{z}\%$

Table 1. The caption of the table

Text of the subsubsection. Text of the subsubsection. Text of the subsubsection. Text of the subsubsection.

### 3. Section

Filling text; filling text.

Filling text; filling text. Filling text; filling text. Filling text; filling text. Filling text; filling text. Filling text; filling text.
